

## **CARMELITE HUMAN RIGHTS SOCIAL JUSTICE STATEMENT**

**The Carmelites of the Province of the Most Pure Heart of Mary affirm their wholehearted embrace of Catholic Social Teaching, which requires all of us to work towards a more just and peaceful world, including care for all of creation.**

**With the courage of our faith, we stand firm in support of the common good and against all forms of bigotry, intolerance, hate, and violence against the earth.**

**We seek a world that respects the rights and dignity of all persons, promotes solidarity, and protects and nurtures our common home.**

**Let kindness and love fill our hearts and guide our actions.**

**We invite all members of the Carmelite family to share this vision and live these values.**
